

Iowa Reserve Component

BRAC 2005 Recommendation:

Transform Reserve Component facilities in the State of Iowa into multi-functional installations that will enhance unit readiness, increase training opportunities, and generate operational efficiencies. These transformed facilities will provide the capability to conduct Soldier Readiness Processing and Home Station Mobilization, reduce the number of substandard/undersized Reserve Component facilities, enhance Anti-Terror/Force-Protection, promote effective recruiting and retention, and enhance the Homeland Security and Homeland Defense capabilities of the Army Reserve and the Army National Guard.

Gains:

- Build 1 Armed Forces Reserve Center (AFRC) and Military Entrance Processing Station – AFRC Camp Dodge
- Build 1 Armed Forces Reserve Center with a Organizational Maintenance and Vehicle Storage Facility – AFRC Middletown
- Build Armed Forces Reserve Center – AFRC Muscatine
- Build 1 Armed Forces Reserve Center with an Organizational Maintenance Site – AFRC Cedar Rapids
